Club Features & Offerings

We created our Edge Club in the mid 90's to reward our fans for their loyalty and allow them to get the perks they deserve. Now that we have expanded our original Edge Club to a total of five clubs, we can better cater to your tastes and you'll experience more perks than ever before:

Join the Edge and you'll get quarterly two bottle shipments of Mahoney Vineyards wines and all of the following perks:

- Mahoney Vineyards & Fleur discounts of at least 20%. FUTURES offers and special limited offers get you an even better deal! Edge Club members also get first crack at limited releases and vintage close out wines. You'll also get discounts on most of our logo items.
- As an Edge Club member, you will receive invitations to our Annual Crab Feed, the Harvest Party, and discounted tickets to many of the events we attend, including: Pinot Days, Family Winemakers, Pinot on the River, TAPAS Grand Tasting, Pink Out, and more!
- Once we have our tasting room open for business, you and up to four guests will get a complimentary flight of Mahoney Vineyards/Fleur wines.
- The newest Edge Club perk is an advanced accrual of My Rewards Points . . .

My Rewards

The launch of our new website in October 2012 has given us an opportunity to offer a bonus program as a thanks to everyone that purchases their Mahoney Vineyards or Fleur wine online. The news is even better for Edge Club members, who not only get their club discount, but they will also receive increased My Rewards point accrual.

Use your My Rewards points towards the purchase of our Mahoney Vineyards or Fleur wines, shipping charges, gift certificates, FUTURES wines, or logo items. The best part about the My Rewards program is that the points don't expire! Bonus My Rewards points are added to your account the first business day after your order is placed.

FUTURES

Our FUTURES program is basically a pre-release sale where you can purchase a full case(s) of our upcoming releases at the best price possible (even better than the club discount price). Whenever possible, a bottle of the FUTURES wine will be sent as part of your club shipment.
