My Rewards

The launch of our new website in October 2012 has given us an opportunity to offer a bonus program as a thanks to everyone that purchases their Mahoney Vineyards or Fleur wine online. The news is even better for Semi-Annual Club Members, who not only get their club discount, but they will also receive increased My Rewards point accrual.

Use your My Rewards points towards the purchase of our Mahoney Vineyards or Fleur wines, shipping charges, gift certificates, FUTURES wines, or logo items. The best part about the My Rewards program is that the points don't expire! Bonus My Rewards points are added to your account the first business day after your order is placed.
