## 2014 Carneros Ranch Chardonnay

The Carneros Appellation has become one of the most celebrated wine growing regions in the United States for Chardonnay. Wineries across the Napa and Sonoma Valleys search out this fruit for its unique flavors and depth. The Carneros Ranch Chardonnay carries the Carneros signature flavors of green apple and citrus perfectly balanced by a touch of French oak to provide a supple and enjoyable mouthfeel.

## 2013 Carneros Ranch Pinot Noir

The Carneros Appellation lies at the southern tip of the Napa and Sonoma Valleys. Its proximity to the cool summer fog of the San Pablo Bay make it an ideal climate, (not too hot and not too cold) to grow world-class Pinot Noir and Chardonnay. The Carneros Ranch Pinot Noir carries the Carneros signature flavors of freshly picked strawberries and cherries, coupled with a rich, lingering, mouth-filling texture.
