THE FLEUR BRAND

Fleur wines represent decades of experience farming our vineyards in the Carneros region and physically walking the vineyards of our grower partners to better understand the fruit those vineyards will produce. Our wines exhibit true varietal character and showcase the unique qualities that our appellations bring to the wines. We work with the wines from the vineyard all the way to the bottling line and rather than following the ebb and flow of the various wine trends, we use our experience to help create them.

2014

CHARDONNAY CARNEROS

FLEUR CHARDONNAY

The first release of Fleur Carneros Chardonnay was the 1991 vintage. Since that time, the Carneros region has become one of the world's most preeminent Chardonnay producing regions. The 2014 Fleur Carneros Chardonnay is a perfect example of why this region is so celebrated.

To create this wine, we blend rich Napa, Carneros Chardonnay from our estate vineyard with crisp Sonoma Carneros fruit to create a wine with lovely synergy.

Delicate flavors are preserved through whole-cluster pressing, followed by a cool fermentation, and a limited time in French oak barrels. Prolonged yeast contact adds both a creamy texture and subtle toast aromas. Vivid citrus, pear, apple, and stone fruit aromas are accented with just a hint of sur-lies character. Clean fruit envelops the palate, while refreshing acidity lingers, creating a versatile and food friendly wine.
