GAVIN VINEYARD CHARDONNAY

We were drawn to Carneros for its cool and breezy climate in the early 70's, as a place to grow Burgundian style varietals, and we helped establish the Carneros AVA in 1983. Through our clonal research with UC Davis, and trials with unconventional varietals, we strive to create wines that express the terroir of our vineyards. Sustainable practices in our farming benefit the land, our community, and the quality of our wines. This Chardonnay grows on rolling Carneros hillsides overlooking San Pablo Bay. Barrel fermented and aged sur-lie for 9 months, it shows a fusion of pear and pineapple fruit, toast, and subtle French oak flavors.
